![Color Swatches]

More Colors Available Online.

Also available in the Móz Color Collections below, each offering various color and grain patterns to choose from. Custom colors and custom image/graphics also available. Additional protective finishes can be applied including DuraFilm Satin and Tuffcoat for added protection in higher traffic areas.

SAMPLING

A limited selection of corrugated samples are available. Color chips can be provided to aide in selecting a finish.

GENERAL WARRANTY

Due to the production process, no two sheets are exactly alike. Some surface irregularities as well as color and pattern variations will appear. We recommend that you inspect the material before cutting or mounting by simply lifting up the edge of the protective mask and laying it back down. If any material proves to be defective, Móz Designs will be liable for the cost of that material only. In order to prove material defective a sample must be provided to Móz Designs for review. No other warranty is expressed or implied.
