

LASER CUT COLLECTION

The image shows a modern lounge interior. The ceiling is dark with two large, black metal chandeliers featuring numerous white, spherical light bulbs of varying sizes. The walls are covered in a black and white geometric pattern, with a central dark rectangular panel containing the text. In the foreground, there is a large orange sofa, two light-colored armchairs, and a small black side table. The floor is covered with a patterned rug. The overall aesthetic is contemporary and sophisticated.
