

SUSTAINABLE MATERIALS & PRODUCTS

Our products can contribute to LEED® v4 Materials and Resources credits. We have our Health Product Declarations (HPD) and recycled content for the following products.

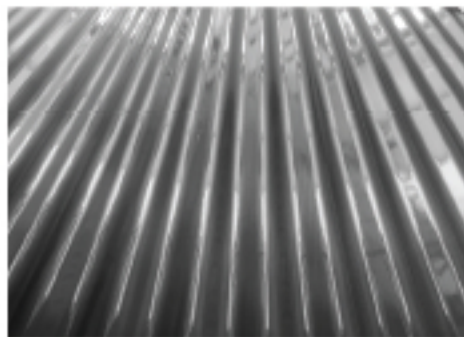

HPD covers MóZ Solid Aluminum, Engravings Panels, Perforated & Laser Cut Panels, Corrugated Aluminum, and Stainless Steel as well as coatings varying in a range of thicknesses depending on application and whether interior vs. exterior.

Solid Aluminum

Perforated & Laser Cut Aluminum

Corrugated Aluminum

Stainless Steel
