MOZ CLASSIC COLOR COLLECTION

TECHNICAL INFORMATION:

Available Colors:

Custom colors available upon request.

Available Grain Patterns:

(note: Ivory not available in Fog or Clouds grain)

Seaming Considerations:

Hand-crafted grains will not match along with short side of the panel. Machine crafted grains offer greater opportunity for seamless installation of multiple sheets.

Available Finishes:

Polycoat Gloss or Matte. Also available in Durafilm Satin and Exterior.

Available Materials:

.040" Aluminum. Custom available up to .125"

Also available on laser cut, corrugated and/or perforated aluminum.

(Machine-crafted grains are not available on perforated or laser cut material.)

Available Sizes:

4'x8' and 4'x10' (maximum 5' x 12' - contact factory about larger sizes).

Machine grains are generally limited to 4'x10' maximum sheet size.

Applications:

Available on all of the MÓZ ETA (easy-to-assemble) products including column covers, wall panels, art and dividers. Machine grains are not available double sided so therefore cannot be used on dividers.

Custom fabrication is available upon request.
